

**Tring LTC, is we hope, a sociable friendly club,
please help us to keep it that way by:**

- 🎾 respecting all other members of the club irrespective of age, colour, religion or playing ability and offer equal opportunity to play to all.
- 🎾 not blaspheming on court or abusing any person, racket or court equipment. Offering encouragement not criticism.
- 🎾 encouraging fair play and discouraging disputes over calls. If in doubt the ball is IN! If you cannot agree offer a let.
- 🎾 being suitably attired in non marking tennis shoes and tennis attire. No football shirts please.
- 🎾 waiting until a suitable break in play to walk behind a court, enter or leave a court and then doing so as quickly as possible.
- 🎾 retrieving balls for your partner and your opponents and doing so with good humour!
- 🎾 noticing when balls from another court have come over onto your court and returning them promptly to the other court during a suitable break in play. If retrieving a ball, again wait for a suitable break in play.
- 🎾 leaving the clubhouse and courts as you would expect to find them, litter free, clean and tidy, cups etc washed and put away.
- 🎾 leaving the clubhouse secure, locked up, windows closed, lights and TV off. If you have unlocked the clubhouse it is your responsibility to lock it back up or to ensure that there is someone else with a key who will lock up.
- 🎾 using all equipment in the clubhouse as if you would be responsible for paying for the replacement.
- 🎾 turning your mobile onto SILENT.
- 🎾 talking quietly near courts that are in use.

Thank you Tring LTC Committee
